#### OUR PUBLIC SCHOOL.

Our regular public school exhibitions on each alternate Friday are well worth the special attention of all permanent residents of Reno; more especially does this apply to parents, who by their presence upon these occasions would manifest the great interest they have in the educational welfare of their children, and tend to stimulate their desire to excel in the different branches of their studies. The exercises on Friday, were select reading, declamation, singing, reading compositions, and reading of the *School Gazette*, edited by Miss Cora Cross and Willie Marsh. Each department was well represented. "Influenza," by Miss Mary Haydon, for quaint humor is hard to excel; was well rendered. "The Infernal Machine," by Miss Emma Selby, was well delivered. Singing by Miss Etta Luchman, was excellent. "Weary of Life," by Miss Lily Claiborne, a most doleful piece, though well rendered. "Poor Little Jim," most touching and beautiful piece of the day, and excellently delivered by Miss Etta McNeely. "Three Score and Ten," by Miss Francis Elliot, a beautiful piece, well rendered. And many others equally deserving of mention. The boys done remarkably well, as represented by Eddie McLellan and Willie Marsh. It is an evident fact that Mr. Ring, the Principal of the school, understands his business and takes a lively interest in the advancement of his many scholars. The reading of the *School Gazette* was a most interesting portion of the exercises, and deserving of special mention for the ability and excellent taste displayed in getting up a spicy, readable paper. Its columns were filled with choice clippings, enigmas and well written original articles. The editress' salutory was excellent. The exercises closed with a very interesting talk by the Rev. Mr. Aunear, an African traveler, who related many amusing and instructing anecdotes, after which we reluctantly left for our den.

#### SUFFERING NEBRASKA.

General James S. Brisbane, who recently arrived in San Francisco, gives a very sad account of the condition of things in the western part of Nebraska, in consequence of the ravages of the grasshoppers. At the time he was there he found the people living on bread, melons and squashes. They stated that they had totally lost two full crops—one by drouth and the other by grasshoppers—and that they had no seed to continue sowing for a new crop. General Brisbane immediately made an official report of these facts to General Ord, who then drew the attention of the country to them. Applications for relief were made without delay to Eastern populations. General Ord appealed in person to many Boards of Trade, and General Brisbane himself went to New York, Philadelphia, Cleveland, Cincinnati and other cities, presenting the matter before their Boards of Trade, and asking from them donations of food, clothing and money. The response was very liberal, but with the utmost economy it has cost \$1,000 daily to meet the urgent demands for assistance. Every cent thus far expended has been furnished by the East, except \$6,000 received from the Pacific States through the hands of Mr. Valentine, Superintendent of Wells, Fargo & Co.'s Express. This latter sum General Ord has put aside as a fund to purchase to distribute throughout the State of the Governmental aid.

priation of \$150,000 to buy food for the suffering, people Nebraska, received about \$60,000, and the balance was divided between Kansas, Dakota and Iowa. Seed for sowing is chiefly wanted in the districts ravaged by the grasshoppers. General Brisbane will go before the San Francisco Chamber of Commerce, and all the other chambers throughout the Pacific States, and present the case in detail to them.

#### EASTERN DISPATCHES!

##### No Action Taken Yet.

HARTFORD, March 13.

The statement that the standing Committee of the Diocese of Connecticut had voted to reject Dr. De Koven, and confirm Dr. Jagger, is incorrect. It has not taken action in either case.

##### Tweed—Cutting Under—Etc.

New York, March 13.

The Tweed habeas corpus proceeding was concluded yesterday the Supreme Court affirming the decision of Oyer and Terminer, dismissing the writ in civil suits against Tweed on behalf of the city for the recovery of \$11,000,000, substituting the Mayor and Aldermen as plaintiffs, instead of the Supervisors; also held proper and Tweed's appeals dismissed.

It is stated that all the roads from here to the West are now cutting under each other to secure freight.

The report that the Union Pacific is about negotiating a loan of two million to place to the credit of the Pacific Mail Company is officially denied.

##### Civil Rights.

New York, March 13.

A bill has been introduced in the Delaware Legislature to effect the Civil Rights bill in that State.

##### Sunk.

Vicksburg, March 13.

The steamer B. H. Hart was reported sunk last night, 30 miles below here. The Clerk was drowned and ten or fifteen colored deck passengers are missing.

##### Arrived.

Lisbon, March 13.

Benjamin Moran, the new United States Minister to Portugal has arrived here.

##### Riotous Proceedings.

Cork, March 13.

Considerable disorder in Tipperary last night, because of the refusal of some residents to illuminate their dwelling in honor of the second election of John Mitchell to Parliament. Several houses which were not illuminated were attacked by a mob and sacked. The town is quiet now.

##### Pinchbeck.

Chicago, March 13.

A Times Washington special says there is no chance for Pinchbeck's admission; that the speech of Christianity, of Michigan, yesterday, while it made no votes is indicative of the way all the new Republican Senators will vote. The same special says, in his speech yesterday, Christianity, showed he had no great reverence for Attorney-General Williams. In one place he blamed him as one of the President's bad advisers, and again he made a point which he had it was conceded by all lawyers, the Attorney General alone excepted, if he might call him an exception. The Senate in Executive session yesterday decided to close debate on the Pinchbeck investigation Tuesday. The Senate resumed consideration of the resolution for the admission of Pinchbeck. Edmunds (Vt.) moved to amend the resolution by inserting the word "not" before the word "admitted" so it would read "Resolved that P. B. S. Pinchbeck be not admitted as Senator from Louisiana, etc." The question being on

the amendment Edmunds said it was the understanding that the vote should not be taken to day and he would not therefore ask the Senate to vote now. Thurman then took the floor and spoke in opposition to the admission of the applicant.

#### WESTERN DISPATCHES!

(SPECIAL TO THE JOURNAL.)

##### PACIFIC COAST.

##### Resumed—Suicide.

SAN FRANCISCO, March 13.

The investigation of the charges of bribery and corruption in the affair of the school department was continued this morning by a committee of the board of Education. A number of witnesses were examined. Nothing important elicited. The testimony was all to the effect that witnesses had bribed no one to obtain or retain their positions, and knew of no one who had done so.

Early this morning boys found the body of a man, corner of Washington and Devisadero streets; body in some bushes leaning against them; left hand in pocket; right hand holding a revolver; one chamber discharged; bullet wound in side of head. The Coroner was notified and on investigation the body was found to be that of Thomas Brady, employed in the Custom House as night inspector. No cause as yet known for the suicide.

##### Iron Ore—Course Gold—Etc.

MAKESVILLE, March 13.

A party from San Francisco prospecting for iron ore, near Wheatland, has found a vein of rich bearing rock which he thinks will develop into a valuable iron mine. The indications are excellent. The location is four miles above the Bridge, opposite Garden Bar. Immediately adjoining this Messrs. Robinson & Gillette, of Eureka, have discovered dirt rich with coarse gold. They have located a mining claim and will proceed constructing a ditch to bring water from Bear river.

Stock holders of the Farmers Bank, at Wheatland, have voted to increase the Capital Stock to \$125,000. The Bank has been doing a larger business than was anticipated.

Jake Saffie, residing fourteen miles below Meridian, on the Sacramento river, attempted suicide by shooting. The deed was deliberately executed by placing a shotgun against his right side and exploding it. But slight hopes of his recovery are entertained.

##### Favorable—Snow.

PORTLAND, March 13.

The following message received from Senator Kelly, from Washington D. C., this morning caused great excitement and rejoicing: To Hon. Henry Tilling, Mayor—Negotiations with English parties for the construction of the Lake Railroad have resulted favorably. Contracts are partially signed and deposited with me—duplicate sent to England for further signatures.

**GOLD PENS**—Jamison, at the post-office, is in receipt of a large lot of goods from the celebrated New York manufacturers, Atkin, Lambert & Co. In the stylish casket lying on Jamison's counter we notice a very elegant assortment of gold pens, in gold lined slide or reverse ebony holders, in gold lined holders and fine morocco boxes complete, in sterling silver heavy top extension holders, in gold lined telescopic holders, in sterling silver extension cases, in sterling silver screw extension cases, in silver round extension cases, in elegant pearl holders and fancy morocco cases, and in gold lined French spring ebony holders, these latter holders are elegantly made and will last for years. Every pen warranted. If you are in need of a pen of standard quality, being the best article in finish as well as for service, go and see Jamison without delay.

**GRANGERS**—Despite the inclemency of the weather a large number of farmers came in from the surrounding country to attend a special meeting of the Grange yesterday.
